

## HP MC125 Microcut Shredder

The MC125 is a Microcut Shredder with a capacity of 12 sheets.

In addition to this, the shredder has a series of special features to enhance its usability and provide a more pleasant experience. For example, it has an auto-clear feature and includes a cabinet with casters. The shredder also operates with low decibel levels. This feature, especially, is an added value for the consumer because they will not have to endure loud noises while working with it.

- ✓ Manual Feed Microcut
- ✓ Shred capacity of 12 sheets manually
- ✓ Shreds credit cards & staples
- ✓ Caster for easy mobility
