

HP MC145 Microcut Shredder

The MC145 is a Microcut Shredder with a capacity of 14 sheets.

In addition to this, the shredder has a series of special features to enhance its use, providing a more pleasant experience. For example, it has an auto-clear feature and includes a cabinet with casters. The shredder also operates with low decibel levels, specifically, making it an added value for consumers because they won't have to endure loud noises while working with it.

- ✓ Manual Feed Microcut
- ✓ Shred capacity of 14 sheets manually
- ✓ Shreds credit cards & staples
- ✓ Caster for easy mobility
