

HP MC83 Microcut Shredder

The MC83 is the smallest model in our MC line, perfect for a small office, department, or home use. It can securely destroy up to 8 pages at once, manually and safely, without the need to remove any staples. Additionally, it can shred credit cards. The included photo sensor will automatically turn off the device.

- ✓ Manual Feed Microcut
- ✓ Shred capacity of 8 sheets manually
- ✓ Shreds credit cards & staples
