Ideal 2270 Level P-2 Deskside Shredder

Description

The MBM Ideal 2270 Strip Cut Shredder offers efficient shredding capabilities with two separate cutting heads for paper and CDs, ensuring optimal cutting performance and durability. The transparent safety shield in the feed opening enhances user safety during operation.

- Integrated collection tray in the shred bin separates plastic shreds from paper waste
 - Automatic start and stop feature controlled by a photo cell for convenient operation
 - High-quality, hardened steel cutting shafts can handle staples, paper clips, credit cards, and CDs
 - Quiet and powerful single-phase motor provides reliable performance
- With a 5-gallon waste bin for paper and a 3/4-gallon container for CDs and credit cards, this shredder allows for convenient waste collection and disposal. The shredder also features a high-quality wooden cabinet for added durability and a particle size of 1/8" x 1" for secure shredding.
