Ideal 2270 Level P-4 Deskside Cross Cut Shredder

Description

The MBM Ideal 2270 Cross Cut Shredder (P-4) is a powerful desktside shredder designed for efficient document destruction. Featuring two separate cutting heads for paper and CDs, this shredder effortlessly handles paper, staples, credit cards, and CDs with its high-quality, hardened steel cutting shafts. The automatic start and stop function, controlled by a photocell, ensures easy operation while providing a quiet and powerful performance. Additionally, the transparent safety shield in the feed opening and automatic power cut-off when the shred bin is removed enhance user safety and convenience.

- Innovative console with automatic start and stop function
- High-quality, hardened steel cutting shafts for durability
- Transparent safety shield in the feed opening for added protection
- Automatic power cut-off when shred bin is removed for safety
- Effortlessly shreds paper, staples, credit cards, and CDs

With a 5-gallon shred volume for paper and a separate 3/4 gallon shred volume for CDs and credit cards, this shredder offers efficient waste disposal and recycling capabilities. The integrated collection tray in the shred bin keeps plastic shreds separate from paper, ensuring easy disposal and maintenance. Ideal for small office environments, the MBM Ideal 2270 Cross Cut Shredder (P-4) provides reliable document destruction with its powerful motor and double protection against overheating.
