Ideal 2445 Level P-7 High Security Shredder

Description

The MBM Ideal 2445 Super Micro Cut Shredder (P-7) is a high-security shredder designed for ultimate data protection. Featuring NSA/CSS Compliance, this shredder ensures classified information is securely destroyed. The shredder's Electric Capacity Control technology prevents paper jams and blockages for uninterrupted shredding operations.

- SPS (Safety Protection System) package for enhanced safety
- EASYSWITCH for easy operational status indication
- Double motor protection against overheating
- ZERO ENERGY standby mode for energy efficiency
- High-quality cutting shafts made of hardened steel with a lifetime guarantee

With a robust single-phase motor, the MBM Ideal 2445 shredder offers powerful and efficient shredding capabilities. The shredder's durable gears and fully closed gear box housing ensure long-lasting performance. Additionally, the shredder features a high-quality wooden cabinet that is mobile on castors, making it easy to move around for convenience.
