Ideal 2604 Super Micro Cut Shredder (P-7)

Description

The MBM Ideal 2604 Super Micro Cut Shredder (P-7) is an NSA-approved high-security shredder designed for government offices handling classified data. Featuring a Comprehensive Safety Package, this shredder ensures user safety with emergency shut-off, power cut-off, and automatic reverse in case of paper jams.

- SPS – Safety Protection System for enhanced safety
- Integrated Oil Injection system to lubricate cutting shafts
- Patented ECC - Electronic Capacity Control for efficient shredding
- Quiet yet powerful single-phase motor for continuous operation
- High-quality wooden cabinet with mobile castors for convenience

The MBM Ideal 2604 Super Micro Cut Shredder (P-7) is equipped with advanced features such as an EASY-SWITCH control element, automatic stop when the shred bin is full, and a ZERO ENERGY standby mode for power efficiency. Its high-quality cutting shafts are paper clip proof and come with a lifetime guarantee, ensuring durability and reliability for long-term use.

Specifications
